

## WEEKLY FEATURED PRODUCT

“Getting acquainted with Mytee® one product at a time.”

## Moisture can't hide from the Whisper-Dry™!

If you need to dry hard-to-reach areas quickly, you've got no time to lose. Count on Mytee's® 2300 Whisper-Dry™ airmover. Dry inside of walls, behind permanent furniture and under sinks easier and faster than ever before.

### Why?

- **Heat** – With a fan system that warms the air for shorter dry times.
- **Efficient air delivery** – Through tubing attached to 12 quick-release connections that allow you to control the airflow.
- **Increased CFM** – Whisper-Dry™ gives you 45% more CFM than its competitors, but is quieter.

It's durable, with a tough, roto-molded, heat-resistant polyethylene housing. Plus, you're covered by Mytee's® limited lifetime warranty and national network of service centers.

When you've got a room to dry, don't let anything stand in your way. Order the 2300 Whisper-Dry™ today!
